Email: ian.stephen.artis@gmail.com | Phone : (341) 260-4844

Software Engineer with 4 years and 6 months of experience developing enterprise applications for the fintech industry. Experienced in building front-end interfaces, integrating REST APIs, and developing business solutions using OutSystems and Appian. Skilled in React.js, TypeScript, JavaScript, Node.js, Express.js, and MySQL through professional and personal projects. Passionate about building responsive, scalable web applications and continuously expanding expertise in modern software development.

KEY TECHNOLOGIES

React.js • TypeScript • JavaScript • Node.js • Express.js • REST APIs • MySQL • PostgreSQL • MongoDB
Git • GitHub • OutSystems • Appian

EMPLOYMENT HISTORY

SOFTWARE ENGINEER

UBX Philippines | Dec 2021 - Jun 2026

- Developed enterprise fintech applications using OutSystems and Appian.
- Built front-end interfaces and business workflows based on client requirements.
- Integrated REST APIs with enterprise applications.
- Collaborated with business analysts, QA engineers, and developers in Agile teams.
- Debugged and optimized production applications to improve reliability and performance.

PROJECTS

Car Rental Web Application

React.js • TypeScript • Node.js • Express.js • MySQL • Bootstrap

- Developed a full-stack car rental platform with vehicle browsing, booking management, and an admin dashboard.
- Built reusable React components and integrated REST APIs using Axios.
- Developed Node.js/Express APIs with MySQL for managing cars, customers, and bookings.
- Implemented booking validation, CRUD operations, Swagger documentation, and deployed using Vercel and Railway.

TECHNICAL SKILLS

Languages:

JavaScript • TypeScript • HTML5 • CSS3 • Python

Frontend:

React.js • Bootstrap • Responsive Design

Backend:

Node.js • Express.js • REST APIs • Django

Databases:

MySQL • PostgreSQL • MongoDB

Enterprise:

OutSystems • Appian

Tools:

Git • GitHub • VS Code • Postman • Vercel • Railway

EDUCATION

Bachelor of Science in Mechatronics

Cebu Technological University Main Campus

Full Stack Web Development Bootcamp

Zuitt Coding Bootcamp (2021)
